Work Experience

<u>Community Service Officer</u> San Diego, CA January 2022 – Present University of California San Diego

The UC San Diego Police Department employs only UC San Diego students as Community Service Officers (CSO) who provide many safety-related services, including year-round campus safety escorts. Additional CSO duties include patrolling parking lots, locking buildings, providing additional security at campus events, and assisting in medical emergencies. https://police.ucsd.edu/about/cso.html

<u>Emergency Support Representative</u> San Diego, CA September 2020 – April 2021 Sharp Rees-Stealy Medical Group

This position at Sharp-Rees Stealy Medical group involved performing support activities at urgent care sites during COVID-19. Responsibilities included screening patients for symptoms and directing them to the proper care area, setting up and storing equipment used in outdoor clinics, and providing non-clinical support activities such as keeping supplies stocked, transporting lab specimens and cleaning patient areas.

Extracurricular Activities and Honors

- Student Athlete on the Cross Country and Track & Field Teams at UC San Diego
- Received
